GHE SI STAFF PARTICIPATE AT CAREER DAY

Dave Wilkinson, Director of Operations, Paul Drone, Sub-Foreperson and Merle Wideman, Lineperson, recently took part in the Shop Course portion of a Career Day Symposium at John F. Ross Collegiate in Guelph.

Approximately 200 students from grades 9- 12 examined utility equipment and learned more about the challenges and experiences associated with Guelph Hydro's commitment to maintain one of the highest levels of service reliability in Ontario.
