

BLUEBUILT
HOME

Join our community of water saving heroes

Save your money. Save our water.

Homeowners can save water and reduce costs by as much as 60 per cent, and apartment or condo owners by 20 per cent per unit, without making any compromises in day-to-day life. Blue Built Homes are eligible for rebates of up to \$2,460.

**Receive a \$100
rebate when you
install a sub-meter.**

Don't flush your money down the toilet

An average home wastes 7,500–75,000 litres of water a year due to leaks.

Sub-meters help notify property owners of high water use that might indicate:

- Leaks
- Inefficient fixtures
- Wasteful water use habits
